

Night Time Economy

WARRINGTON
Borough Council

It is important that we promote a safe, welcoming and vibrant night time economy with a broad appeal. We want to develop a strong cultural offer and to encourage responsible businesses to invest in our town.

It is important that our licensing policies consider local need and reflect the views of local residents. The information gathered from this survey will help us to carry out an impact assessment and to shape future policy development. It will also give us an important insight into peoples' views and aspirations for our Night Time Economy.

We look forward to receiving people's views and comments. Thank you for taking the time to complete this survey.
