

Project Phasing

The Boroughs of Newham and Redbridge have long term plans to improve the area in the vicinity of the Ilford garden Junction.

The Mayor's Air Quality Funding will enable phase 1 of the Ilford Garden Junction project to be completed.

The full phasing of the project is set out below.

Phase 1 (Mayor's Air Quality Fund)
Footway improvements (South side)
Carriageway reduction (Westbound)
Lugg Approach junction
Greening the junction, including planted buffers
Feature and amenity lighting
Pocket park creation
Phase 2 (Future)
Footway improvements (North side)
Two-way segregated cycleway (North side)
Floating bus stop (Bus stop P)
Additional carriageway realignments
Phase 3 (Future)
Improve access to the Tunnelling and Underground Construction Academy (TUCA)
