All items must be rinsed clean and be loose in your green bin so it can be sorted.

If it isn't on the list above we can't accept it in the green bin.

YOU CANNOT RECYCLE

- | | |
|-------------------------|---|
| Food Waste | Tissues, Kitchen & Toilet Roll |
| Nappies | Wet Wipes |
| Sanitary Items | Polystyrene |
| Crisp Packets | Animal Litter & Bedding |
| Plastic Wrappers | Plastic Bags |
| Black Plastic | |

Put all these things in your grey bin.

Having the wrong things in green bins is a problem:

- **Machinery gets damaged**
- **Good recycling items become ruined**
- **Sorting time & costs increase**
- **Poor quality end products that no one wants**
