Availability of grant

Assessing the application

Completed applications will be assessed to check eligibility and the extent to which they meet the aims of the scheme. If an application passes this initial screening the grant application will then be considered by the Economic Development Officer at Malvern Hills District Council who will decide to make one of three decisions:

- Offer a grant.
- Request further information from the applicant.
- Reject the application.

Each application will be judged on its own merits with regard to how well it meets the scheme's aims and eligibility criteria and its ability to be implemented within the set timescales. Malvern Hills District Council will not enter into a commitment until the formal acceptance of the offer of the grant.

Decision on application

Notification of decision on the application will be made in writing to the applicant. An offer of grant will be made by an offer of grant letter, which will specify:

- i) The eligible applicant
- ii) The eligible goods/services to be accessed/purchased
- iii) The maximum amount of grant awarded
- iv) The date by which the expenditure should be completed (receipted invoices should be received by Malvern Hills District Council within one month of this date)

The decision of Malvern Hills District Council is final. It reserves the right to vary the level of grant or reject an application.

The offer of grant

An offer of grant must be accepted within 21 days of receipt of the offer letter by returning a copy of the grant letter signed by the applicant. After this date the offer will be automatically withdrawn. The applicant will then have to re-apply if they still wish to proceed after this date.

The grant aided works

1. The grant is not retrospective and therefore cannot be used for the reimbursement of goods/services already purchased before the date of the offer letter.
2. No grant aided work is to be carried out other than in accordance with the agreed project outlined in the application and as agreed in the offer letter.
3. Malvern Hills District Council must be notified immediately of any variations needed to the agreed offer and before any variation to the application takes place.

4. Variations to the agreement must be approved in writing prior to such work commencing. Malvern Hills District Council reserves the right to refuse the grant for changes to the specification which it deems not appropriate for the scheme.
5. Where the applicant proposes to change supplier of goods/services, Malvern Hills District Council reserves the right to request fresh quotations if not already received.
6. Approved schemes must be completed by the date specified in the offer letter unless agreed otherwise by Malvern Hills District Council. The applicant must inform Malvern Hills District Council immediately if the deadline cannot be met. Malvern Hills District Council will then consider the most appropriate action but is under no obligation to alter the conditions in the original offer letter and therefore no obligation to offer assistance for works undertaken after the original deadline date.

Payment of grant

1. Grants are discretionary and Malvern Hills District Council reserves the right to withhold payment of the grant in whole or part if any condition of the offer letter has been breached.
2. The applicant must submit the claim (including receipted invoices) for grant assistance within one month of the completion date as stated in the offer letter.
3. Payment will be subject to the applicant having satisfactorily completed the project and complied with all terms and conditions of the scheme.
4. Payment of the grant will only be made when Malvern Hills District Council receives copies of paid invoices for the approved grant from the applicant. Invoices dated before the date of the offer letter will not be eligible for payment. The maximum number of invoices that can be submitted as part of the grant claim is 10.
5. If the actual total eligible expenditure is less than twice the maximum grant specified in the offer letter, payment will be restricted to 50% of the actual total eligible expenditure in accordance with the receipted invoices.
6. If the actual total expenditure exceeds twice the maximum grant specified in the offer letter, Malvern Hills District Council is not obliged to increase the grant amount. Increases to the grant payment will only be made in exceptional cases.
7. Payment of the grant will be made into the applicant's business bank account (or 'trading as' account) via BACS.

VAT

Applicants who are VAT registered will have their grant assessed on the net cost of eligible projects; non-registered applicants on the gross cost. If the applicant does not know whether they are VAT registered or not they must seek advice from HM Revenue & Customs.

Malvern Hills District Council liability

Malvern Hills District Council, its officers and agents shall not at any time be held liable to any person in relation to any loss or damage arising, either directly or indirectly, as a result of compliance by the applicant with these terms and conditions of grant. Award of the grant does not imply that Malvern Hills District Council is expressing a view regarding the business or its products/services nor that it accepts responsibility for any debts, or liabilities incurred by the applicant or the business.

Repayment of grant

Malvern Hills District Council reserves the right to recover all or part of the grant it has provided if:
