Health & Wellbeing Framework consultation

Introduction

Welcome to the consultation for the [Health and Wellbeing Strategic Framework](#). Background information about this consultation can be found on the [NFCC website](#), alongside the [NTU project webpage](#) which provides reports and summaries of the research into Fire and Rescue community wellbeing.

This consultation seeks to gather views about the draft Health and Wellbeing Framework that has been developed for the fire community. We are seeking views on how it relates to you, your service and the wider fire and rescue community. You will be asked to provide your name, role, organisation and email address in case of any technical issue or if we need to contact you to clarify anything about your response.

There is also a save and continue function that can be used throughout the consultation so that you can return to your response later and pick up where you left off.

This consultation will close end of the day **Friday 17 May 2024**. If you have any questions, please contact [Lucy Cooper](#).

Many thanks for taking the time to respond, your feedback is appreciated.

Privacy statement

The NFCC uses your data expressly for the purposes outlined in this introduction. Your contact details will only be used to clarify your response or request additional information relating to this survey. The NFCC complies with GDPR policies for the collection, processing, and storage of personal data
