

CHOOSING

UNICAEN

You are about to validate your A-Level?

Make sure to consider the **University of Caen Normandy** as an option for your higher education. Thanks to the official agreements signed with both Jersey and Guernsey governments, we made it easy for you to study at UNICAEN and access student housing and services.

## STUDENT HOUSING AND SERVICES

Thanks to the joint collaboration of the **Crous Normandie**, you have guaranteed access to on-campus student housing in single room during your foundation year and/or during your junior year at UNICAEN.

Student services also include:

- access to the university restaurants and cafeterias at student rate;
- free and unlimited internet access on all campuses and Crous residences;
- specific international student support by Carré international: facilitated registration process, IT first-timer support, practical information on banks, insurances...
- access to UNICAEN and Crous sporting activities and amenities;
- access to the university center for medical prevention and psychological support.

## YOU NEED MORE REASONS TO CHOOSE UNICAEN?
